**DAY 1 -SATURDAY-** Transfer from Bari or Brindisi airport, or pre-hotel arrangements/transfers; cost based on participation. Check-in time 5:30pm. Welcome Reception followed by dinner.

**DAY 2 -SUNDAY- Brindisi-** B, D, at the villa. Enjoy a guided stroll from one side of the old city to the other with a short boat ride, marvelling at the millenniums-old port and it's rich history. We will be delighted at lunch by a wine tasting at **Numero Primo**.

**DAY 3 -MONDAY- Egnazia-** B, D, at the villa. Our first stop is a guided visit of **Museum and Archaeological Park of Egnazia** where marvellous painted pottery and marble sculptures help explain the evolution of art and society throughout the centuries. Outside, you will recognize some typical elements of a Roman city: ruins of the Forum, Thermal Baths and the Via Trajana. After the museum tour we will visit a cheese maker for a Mozzarella and Burrata demonstration with light lunch, then we'll enjoy a tasting with a local olive oil producer.

**DAY 4 -TUESDAY- Cooking Class-** B, L, D, at the villa. Our chef will teach us to make the very unique Pugliese pasta called cavatelli, to be shared at lunch. Enjoy the villa for the afternoon, or choose to explore **Ostuni** – often referred to "*the white town*".

**DAY 5 -WEDNESDAY- Grottaglie & Locorotondo-** B, D, at the villa. Today, **Grottaglie** is an important center in the traditional art of decorated pottery. We'll visit a local artist who will explain how she is carrying on a family tradition. Afterwards we will drive to **Locorotondo** for lunch and wine tasting, followed by a visit to the **Cardone** winery – Marianna and her brother now carry their grandfather's vision into the future.

**DAY 6 -THURSDAY- Bari and Polignano a Mare-** B, D, at the villa. We will visit **Bari** and afterwards stop for a seafood lunch on a terrace near the sea. Then, we'll visit one of the most iconic and often photographed cliff towns – the charming old town of **Polignano a Mare**. After a walk thru the old town centre, perched atop limestone cliffs, above crystal clear water, we'll descend to **Lama Monachile**, also known as the *Beach of Polignano* (pictured on front).

**DAY 7 -FRIDAY- Conversano-** B, D, at the villa. Guided walk through the marvellous alleyways of **Conversano**, where the coexistence of Lords, Abbesses and Bishops was never easy. See what remains of an important heritage: the Castle, Monastery and Cathedral. After so many exceptional experiences, we have saved one more for the last day. A visit to **Il Frantoio**, a 500 year old farm, where timeless tradition and culture intertwine, for an olive oil tasting and lunch.

**DAY 8 -SATURDAY-** After breakfast, 10am check-out, then embark on your other European travel plans. Sicily anyone? Details for optional transfers to airports available on request: cost based on participation.

*"Wow! We loved our villa experience – and like cruising, it fit our holiday style perfectly. The villa was a great venue to relax and socialize with friends. The included daily tours were well organized, allowing us to explore the villages in the heart of the countryside. Meals prepared by our private chef Katie, paired with local wine was the icing on the cake." ~ Martin & Harvey*
