Our Private Villa Awaits!

Having spent 30+ years working for three cruise lines, I have taken what we love about cruising to the villa experience.

Unpack only once, and explore Italy's hidden gems—truly get to know its people through exceptional and authentic experiences. Enjoy a **100% All-Inclusive** week in Tuscany for only **\$3,990pp**. Space is limited to 7 rooms/14 guests. When you book by April 30, receive a **complimentary transfer from Rome** with an afternoon to explore Orvieto in Umbria.

Your travel advisor can extend your stay in Italy with pre/post options and/or a cruise. The villa is halfway between Rome and Florence (1.5 – 2 hrs) which makes flights easy. We can help with transfers to/from airport/pier. If the cruise is not from Italy, a short inter-domestic flight to many other European ports is an easy option.

Be sure to watch the 3-minute video and escape to this beautiful villa in Tuscany!

I hope you will join me!

Buon viaggio,

Claudia

P.S. Gather your friends & family and we will customize your own villa experience with several regions in Italy to choose from.

Please contact your travel advisor.
